

Transforming Local Impact Into National Change

About America Forward

America Forward is the nonpartisan policy initiative of New Profit, a national nonprofit venture philanthropy fund that seeks to break down barriers between all people and opportunity in America. To date, New Profit has invested over \$150 million in scaling innovative organizations' impact. America Forward unites social entrepreneurs with policymakers and advances a public policy agenda that fosters innovation, rewards results, catalyzes cross-sector partnerships, advances equity, and translates local impact into national change.

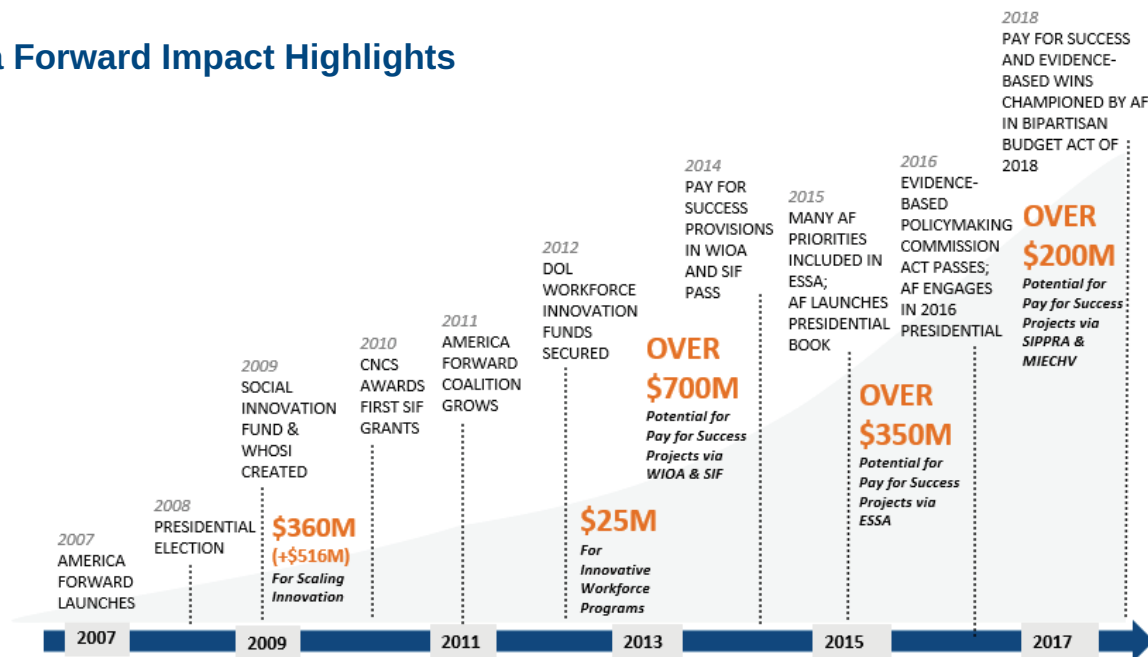

The America Forward Coalition is a network of over 100 social innovation organizations that champion innovative, effective, and efficient solutions to our country's most pressing social problems. Our Coalition members are achieving measurable outcomes in more than **15,000 communities** nationwide, touching the lives of **9 million Americans** each year, and driving progress in early child care and learning, education, workforce development, Pay for Success and evidence-based policy, poverty alleviation, social innovation, national service, criminal justice reform, and public health. Since 2007, America Forward's community of entrepreneurs has played a leading role in driving the national dialogue on social innovation policy.

What We Do

Together, our Coalition organizations have successfully advocated for lasting policy change, leveraged **\$1.7 billion** for social innovation, and have driven millions of federal resources toward programs that are achieving measurable results for those who need them most. America Forward believes that our nation's social entrepreneurs can lead the way in unlocking America's potential and move all of America forward.

- **Lead Collective Advocacy:** The America Forward Coalition pursues collective policy agendas in the areas of early learning, K-12 education, higher education, workforce development, Pay for Success and evidence-based policy, poverty alleviation, social innovation, and national service.
- **Build Capacity for Sustainable Policy Work:** America Forward partners with Coalition organizations and New Profit portfolio and network organizations to help build their advocacy, policy, and systems change capacities and foster cross-sector collaborative learning opportunities.
- **Amplify the Voice of Social Innovation:** America Forward supports strategies that spread the reach of social innovation policy through thought leadership, events and external engagement, communications, and public education materials.
