

Transforming Local Impact Into National Change

About America Forward

America Forward unites social entrepreneurs with policymakers to promote a public policy agenda that fosters innovation, rewards results, and catalyzes cross-sector partnerships. America Forward leads the **America Forward Coalition**, a network of 100+ of the nation's most impactful and innovative non-governmental organizations that develop and advocate for more effective public policies to advance opportunity and move all of America forward.

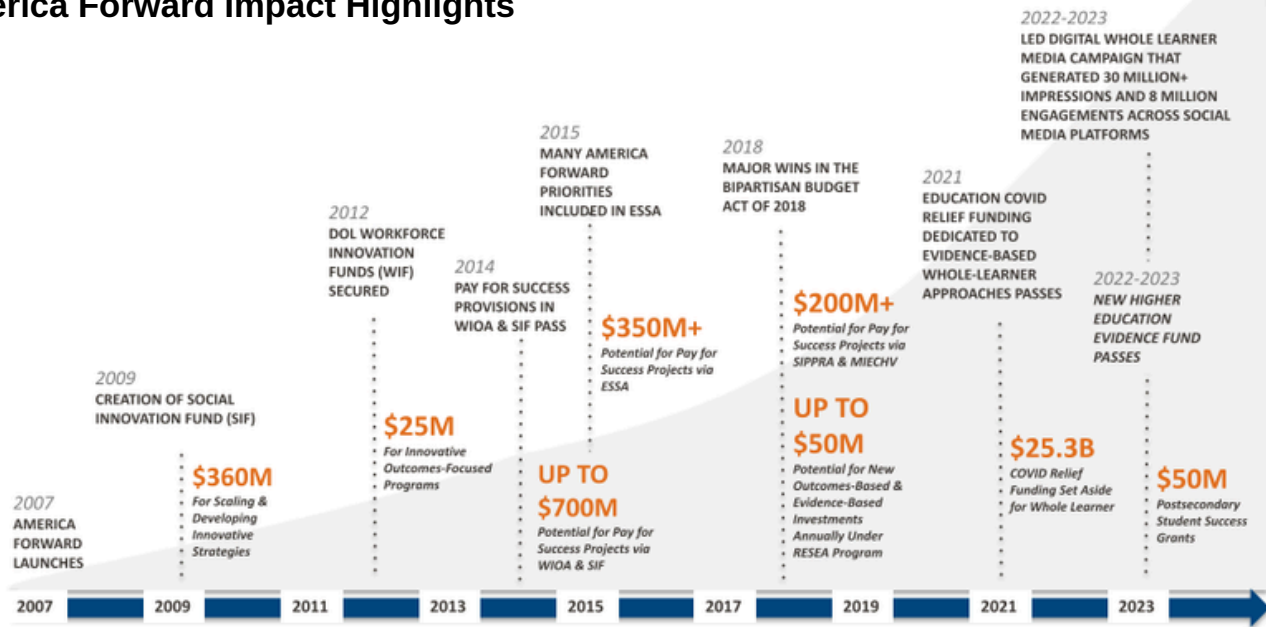

America Forward Coalition members achieve high-impact, measurable outcomes in more than **15,000 communities** nationwide, touching the lives of over **9 million Americans** each year, and driving progress in early child care and learning, K-12 and post-secondary education, youth mental health and wellbeing, economic mobility and workforce development, evidence-based policy, social innovation, national service, and civic participation. Since 2007, America Forward's community of entrepreneurs has played a leading role in driving the national dialogue on social innovation policy and impact.

What We Do

Together, our Coalition organizations have successfully advocated for lasting policy change, leveraged **\$1.9 billion** in public funding for social innovation, and driven valuable federal resources toward programs that achieve measurable results for those who need them most. America Forward firmly believes that our nation's social entrepreneurs can help lead the way to unlocking America's potential and move all of America forward.

- **Lead Collective Advocacy:** The America Forward Coalition develops innovative policy proposals and pursues collective public policy agendas in the areas of early care and learning, K-12 education, post-secondary education, youth mental health and wellbeing, economic mobility and workforce development, evidence-based policy, social innovation, civic participation, and national service.
- **Build Capacity for Sustainable Policy Work:** America Forward partners with Coalition organizations to help build their advocacy, policy, and systems change capacities and to foster cross-sector collaborative learning opportunities. America Forward empowers our network of social entrepreneurs to become better, bolder advocates by building their policy capacity through the **America Forward Advocacy Institute**.
- **Amplify the Voice of Social Innovation:** America Forward supports strategies that spread the reach of social innovation policy through thought leadership, events and external engagement, communications, and public education materials.

America Forward Impact Highlights

In America Forward's first 15 years, we collectively:

- More than tripled the number of Coalition organizations to over 100
- Leveraged \$1.9+ billion for social innovation and outcome-based payments
- Drove millions of federal resources to achieve measurable results
- Influenced billions of education dollars towards whole learner approaches
